

Raise funds for your church, group, or school with a visit to Harvest Tyme’s Christmas lights walk-through display. You could earn a commission of up to 25% of the ticket sales for your group.

HERE’S HOW IT WORKS:

- 1.** **Contact us at contact@harvesttymefun.com** to sign up your group to receive an exclusive discount code. Include your name, organization name, phone number, and mailing address (to receive check). Codes are active now and expire December 29, 2023. This special fundraising opportunity is only offered for Christmas Tyme Lights tickets on any night during our season.
- 2.** **Share the discount code** with your family, friends, and supporters and encourage them to purchase Christmas Tyme Lights. The more you share the good news about this fundraiser the more opportunity you have to raise funds for your group! A MINIMUM of 25 tickets must be sold to receive your commission.
- 3.** **Once the season ends** on December 30, 2023, we will calculate how many discount codes were redeemed for your group. You will receive up to 25% of the ticket sales (between 25-100 tickets). Checks will be issued and made payable to your organization by mid-to late-January 2024. A MINIMUM of 25 tickets must be sold to receive your commission. Your exclusive promo code must be entered in the discount code/promo box at checkout for the purchase to count towards your group’s fundraiser. We will not be able to go back and apply a promo code to tickets purchased without it during the time of purchase.
